

## How to Speak in Tongues

### When will it cease?

**H**ave you ever wondered when speaking in tongues will cease? It will cease when all of the other manifestations cease, but let's look at it again.

(1 Cor 13:9-10 KJV)  
For we know in part, and we prophesy in part. {10} But when that which is perfect is come, then that which is in part shall be done away.

When Jesus Christ, the perfect one, gathers us together, then speaking in tongues and prophecy will cease. He hasn't returned yet, and we can still speak in tongues.

### How is speaking in tongues used most beneficially?

(1 Cor 13:1-3 KJV)  
Though I speak with the

tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling cymbal. {2} And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing. {3} And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing.

Without charity, I am nothing. There's nothing wrong with the manifestation; the

problem is me. Without charity, I'm outside of the renewed mind, the Christian Code of Conduct. The manifestations can be used in the church most effectively with agape. Nothing in your life is so satisfying as being able to live according to God's Word. And knowing God's Word regarding speaking in tongues, you certainly want to manifest the power of God. Surely you want to speak the wonderful works of God, surely you want to magnify God, surely you want your life to be pleasing to God?

### The Keys to receiving Speaking in tongues

I know that you would like to receive into manifestation the power of the holy spirit, to speak the wonderful works of God, to magnify God. So I'm going to help you manifest the power of the holy spirit. I would like to tell you that if you would believe God's Word—and we have delved into the

# How to Speak in Tongues

depths of God's Word time and time again experiencing its great accuracy—you will be speaking the wonderful works of God and magnifying God.

Allow me to unfold the keys so that, in a few minutes, you will be speaking the wonderful works of God.

**(Acts 2:4 KJV) And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.**

They were all filled with the holy spirit. Nobody ever gets missed. You have heard the Word, and you need to do exactly what I tell you to do, right down to the minutest detail.

**(1 Th 2:13 KJV) For this cause also thank we God without ceasing, because, when ye received the word of God which ye heard of us, ye received *it* not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe.**

Receive this as it is in truth, the Word of God. If you will

be that honest, you too will walk into the greatness of the power of God. If you think that it is just me speaking, then you will not be able to believe the Word. If you do what I tell you to do, you will walk into the greatness of God's Power.

Before you can tap God's resources, you must know what is available, how to receive it, and what to do with it after you've received it.

## Who did the speaking on the Day of Pentecost?

The 12 Apostles did the speaking.

Speaking involves mechanics; you must move your lips, tongues. You must breathe.

The same mechanics involved in speaking are involved with speaking in tongues. That's right! If I say, "Jesus is my Lord," how do I do this? I move my lips, my throat; I wet my lips; I do the speaking. Say it now, 'Jesus is my Lord'. What did you do? You utilized the entire spectrum of speech.

You formulated the words and pushed them out.

The only difference with speaking in tongues and my speaking English now is that I have to think when I speak English. When I say, 'Jesus is my Lord', I have to think. But when I speak in tongues, I do not have to think about the words that I am forming. Why? Because God gives the words to my spirit which is His spirit in me. They are formulated there. I bring them up on my mouth and I then formulate them on my lips. I don't feel them, but I know that they are there.

When I speak in English, I speak so naturally. I am at ease. When I speak in tongues, I speak just like that. The same mechanics are involved. I have to move my throat, my lips, I have to do all of those things, but God provides the words. I am always at ease. They flow beautifully.

Acts taught us that 'they did the speaking'. They made the sounds, formulated the words, but God gave the words. That I speak is my business. When you speak, do so naturally. Move your lips, breathe across your vocal chords, make the sound.

These words magnify his name and are the wonderful works of God. If you can speak a language, then you can speak in tongues, for you already know the mechanics.

## How you speak

- MOVE YOUR LIPS
- YOUR TONGUE
- YOUR THROAT
- FORMULATE THE WORDS

Understanding how we speak is the most challenging aspect of manifesting speaking in tongues. The spirit doesn't move your lips, you do. With the power that is in you, you bring forth the wonderful works of God.

**(Acts 2:38 KJV) Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.**

It says, 'Ye shall' manifest the gift of holy spirit. This promise is to those in the church age. We received holy spirit, and now we have to manifest it.

**(John 7:37-38 KJV) In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. {38} He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.**

That is a tremendous truth. 'Belly' stands for the depth of a man's soul. Rivers of living waters will flow from the innermost part of his being. You are not receiving more spiritually. You are receiving what you already have out of the depth of your being. That's why it says out of his belly shall flow rivers of living waters. You don't receive something new. You manifest what you already have. It may be new to you, but it is from that which you already have received.

**(John 7:39 KJV) (But this spake he of the Spirit, which they that believe on him should receive: for the Holy Ghost was not yet given; because that Jesus was not yet glorified.)**

What a revelation! This is what he told them before he

ascended into heaven. When you speak in tongues, you formulate the words, you let it bubble out of the inner depth of your soul. You let it flow as you formulate the words.

**(Luke 11:11-13 KJV) If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? {12} Or if he shall ask an egg, will he offer him a scorpion? {13} If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit [the gift of holy spirit] to them that ask him?**

Well, would you? If you had a son that was hungry and you had some bread, would you give him a stone? No, you would not. Friends, you can never out give God. 'Ask' is the same word as the word 'demand', like you would do at the bank. Your money is already in your account. That's why you can demand it. Isn't our God wonderful? The greatest cargoes of life come in over quiet seas. Spiritually, the

# How to Speak in Tongues

same is true. The Word of God gets you quiet on the inside so that you can receive the abundance of revelation that is available.

**(Gal 3:5 KJV) He therefore that ministereth to you the Spirit, and worketh miracles among you, doeth he it by the works of the law, or by the hearing of faith?**

How do I minister holy spirit to you? Do I do it by the hearing of believing, or by the works of the law? I do it by the hearing of believing. I am going to minister to you the holy spirit in manifestation, teaching you exactly what to do.

## Follow my instructions

### Close your eyes.

Remember that when I have ministered to you holy spirit, I want you to speak in tongues. You move your lips, you make the sounds.

It says that they opened their mouths wide to drink in the spirit. Jesus breathed IN. He opened his mouth wide. Now, I want you to do the same.

### Open your mouth wide and breath in.

The greatest things in life come in over quiet seas. You are not going to get any more; you are going to manifest what you already have.

### While you are breathing, thank God for filling you with the power of holy spirit.

Just keep breathing in and thanking the Father for filling you.

I shall pray.

Dear Father. According to the greatness of the power in me, I minister holy spirit to the people reading, to the people who have opened their hearts to your wonderful Word. I pray for them, asking you to fill them with the greatness of the gift of holy spirit. In the name of Jesus Christ, amen.

### Keep breathing in.

Now, begin speaking in tongues. Make the sounds, push the air through your

throat, allow the words to form.

You have been speaking a language. You must continue to speak in tongues for it to develop. You'll notice that your tongue might change. This is perfectly normal. The manifestation is called 'kinds of tongues'.

### Speak in tongues again.

You have been speaking the wonderful works of God. This is the power of God to you a believer.

Much Love in Christ,

Jerry D. Brown
